Cal OES
GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Level 1	Level 1	Level 1

Cal OES INLAND REGION

Derailment, Goshen, Tulare County, SPILL: 17-4863

On 07/07/17, the California State Warning Center (CSWC) was notified by Union Pacific Railroad (UPRR) of an upright single empty railcar derailment on a customer track due to unknown causes.

- The customer will make arrangements for re-rail operations.
- There was no hazardous release and no injuries to crew.
- Mainline traffic is impacted at the time of this report.
- CSWC personnel performed notifications per Hazmat SOP.

See 2017 Statewide Winter Storms Slides

Cal OES COASTAL REGION

Apartment/Construction Fire, Oakland, Alameda County

On 07/07/17 at 0500 hours a fire broke out at a construction site at 2425 Valdez St in Oakland. The building, when completed, would have been an apartment and retail complex. Residents in nearby areas have been evacuated for safety reasons.

Evacuation Shelter

- American Red Cross (ARC), St. Vincent de Paul, 2271 San Pablo Ave. Oakland
 - Feeding services tonight 07/07/17 and tomorrow morning 07/08/17, will be provided by St. Vincent de Paul and ARC.
 - Evacuees number approximately 100 people.
 - Evacuees have approximately one dozen companion animals; primarily small dogs, which are being allowed at the shelter.
- Shelter services will be provide for at least 48 hours, pending safe re-entry to their residential domiciles.
- Cal OES Duty Officers continue to monitor the situation and provide updates as they are available.

Cal OES SOUTHERN REGION

- See 2017 Statewide Winter Storms Slides

SITUATION SUMMARY

2017 Statewide Winter Storms

Cal OES Coastal Region

Paul's Slide, State Route 1, Monterey County

Per Cal OES Coastal Duty Officer (CDO), as of 1300 hours on 05/25/17, Paul's Slide on State Route 1 has been closed to all traffic.

- Caltrans engineers report slide activity and the area has been closed in the interest of public safety.
- Assessment will commence and further details will be provided once released.

Mud Creek Slide, State Route 1, Monterey County

The Mud Creek area on State Route 1 sustained a major slide on the evening of 05/20/17, when over a million tons of rock and dirt fell down the slope continuing down to the ocean floor 250 feet off the shoreline.

- The Mud Creek area is ¼ mile in length, made up of five slides, four of which fell during this single incident and consolidated into one slide. The remaining slide now extends 1,500 feet in length over State Route 1 and is about 35 to 40 feet deep.
- Roadwork at Mud Creek was suspended and heavy equipment removed due to the threat of new slides and for safety of highway workers. Caltrans geologists and engineers plan to assess it further when this area stabilizes.
- Estimated opening date is 06/01/18.

Pfeiffer Bridge Incident, Monterey County

California Highway Patrol (CHP) and Caltrans had a hard closure on the Pfeiffer Bridge on HWY 1 at mile marker 45.52 (SB Sycamore Canyon and the Bridge) due to a crack in the bridge. The bridge has been demolished so the road is closed and estimates for some access from the north is late September 2017.

- Backup air medical transport plans have been developed for medical emergencies through Cal OES Law Enforcement Branch.
- All businesses north of the Pfeiffer Canyon Bridge closure are open to the public.
- Caltrans will continue the process of delivering construction materials and equipment to the site of the demolished bridge on HWY 1 via Nacimiento-Fergusson Road from Hwy 101 on Tuesday, 06/20/17.
- Some equipment will begin moving out one piece at a time throughout the week. These convoys of equipment will be escorted by CHP.
- Effective 07/01/17, there will be a shuttle available until the Pfeiffer Canyon Bridge reopens (estimated reopening date from Caltrans is September 2017) seven days a week, 1200-2000. North shuttle leaves every hour starting at noon. South shuttle leaves every 15 minutes from Loma Vista to Nepenthe. The last shuttle from north to south is at 1700 hours. The last shuttle from south to north is 1900 hours.
- Pfeiffer Big Sur State Park will reopen to the public on 07/01/17 after an 11-month closure due to the Soberanes Fire and winter storms.
- Julia Pfeiffer Burns State Park, Andrew Molera State Park, and Highway 1 at Pfeiffer Canyon Bridge remain closed.

FIRE ACTIVITY

Cal OES Fire Preparedness Levels

National	Northern California	Southern California
Preparedness Level 3	Preparedness Level 2	Preparedness Level 2
	Multi-Agency Coordination System MACS Mode: 2	Multi-Agency Coordination System MACS Mode: 2

Wall, Vegetation Fire, Bangor, Butte County

Location: Chinese Wall Rd, 5 miles north of Bangor

Jurisdiction: State DPA, SRA, Butte Unit

Start Time: 1455

Per Cal Fire and Cal OES Duty Officers as of 07/07/17 at 1643 hours:

- 200 acres brush, 0% contained
- Dangerous rate of spread
- Structures and powerlines threatened
- Evacuations in progress
- Short Range spotting
- VLAT assigned

Activations

- Butte County OES – Level 2
- North Valley OEC – PG & E

Deployments

- 1 Cal OES Fire Assistant Chief enroute
- 1 Cal OES Law Assistant Chief enroute
- 1 Cal OES Inland Division Emergency Services Coordinator (ESC) enroute

Cal OES
GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

FIRE ACTIVITY

Evacuations

- Hurleton Swedes Flat Road from Grand Oat to Swedes Flat and all roads that connect.
- Swedes Flat Road from Chinese Wall Road to Robinson Mill Road and all roads that connect.
- Black Bart Road and all roads that connect.
- Butte County has set up a 211 phone number to assist residents.

Utilities

Per California Utilities Emergency Association (CUEA) as of 1755 hours on 07/07/17:

- Distribution circuits are immediately threatened on Chinese Wall Road, it has been de-energized at the request of CALFIRE
 - Approximately 630 customers have been affected.
- Pole treatment equipment team has been mobilized to the area, they are in communication with CALFIRE (Butte County).
- Per PG&E as of 1856 hours, there are no transmission assets in the area and no reports of infrastructure damage.

Shelters

- American Red Cross (ARC), Church of the Nazarene, 2238 Monte Vista Ave, Oroville, opened at 1730 hours on 07/07/17:
- North Valley Animal Disaster Group (NVADG) has been activated

FIRE ACTIVITY

Alamo, Vegetation Fire, San Luis Obispo / Santa Barbara Counties

Location: Hwy 166 x Alamo Creek Rd, east of Santa Maria

Jurisdiction: State DPA, SRA, San Luis Obispo Unit

Start: 07/06/17 at 1540 hours

Per Cal Fire and Cal OES Duty Officers as of 07/07/17 at 1823 hours:

- 3400 acres brush and timber, 20% contained
- Dangerous rate of spread, heavy brush, long range spotting
- Weather and terrain is hindering suppression efforts
- Fire has jumped Hwy 166
- Unified Command CAL FIRE and Santa Barbara County Fire
- Local Government and Cal OES resources have been requested
- Federal air and ground resources committed
- Cal OES Duty Officers are monitoring and providing updates as they become available

Activations

- San Luis Obispo County EOC Level 2

Deployments

- 2 Cal OES Fire Assistant Chief enroute

Evacuations

Reverse 911 ordered evacuations:

- Mandatory Evacuations:
 - White Rock Ln. and Blazing Saddle Dr.
- Evacuation Warnings:
 - Tepesquet Rd, Colson Canyon Dr

FIRE ACTIVITY

Earthstone, Vegetation Fire, Washoe County, NV

Location: Eastside of the City of Sparks

Jurisdiction: State of Nevada

Type 3 IMT

Start Date: 07/03/17 at 1330 hours

Per ICS-209 and the Cal OES Fire Duty Officer (FDO) as of 07/07/17 at 0823 hours:

- 33,700 acres, 30% containment
- Expected containment date: 07/10/17
- 50 single residential and 30 minor structures threatened, 1 minor structure destroyed
- Local power lines and historic and current mining sites threatened
- Fireline construction and suppression
- 6 Local Government engines assigned
- 9 OES engines assigned
- 1 Cal OES Fire Rescue Branch Assistant Chief assigned

Fay, Vegetation Fire, Siskiyou County

Location: Hwy 3 x Fay Ln, 7 miles south of Etna

Jurisdiction: State DPA, SRA, Siskiyou Unit

Start Date: 07/05/17 at 1105 hours

Per Cal OES Fire Duty Officer (FDO) and ICS-209 on 07/07/17 at 0823 hours:

- 469 acres, 75% containment
- 2 minor structures destroyed
- Hold and improve depth of existing line
- 1 Local Government Water Tender assigned

FIRE ACTIVITY

Schaeffer, Vegetation Fire, Tulare County

Location: 17 miles north of Kernville

Type 2 IMT

Per Cal OES Fire Duty Officer (FDO) and ICS-209 on 07/07/17 at 1919 hours:

Start Date: 07/05/17

- 11,570 acres, 10% containment
- Local government overhead commitment, no local government ground resources assigned
- Prep and improve direct and indirect lines

Winters, Vegetation Fire, Yolo County

Location: Hwy 128 x Pleasant view Rd, 3 miles SW of Winters

Jurisdiction: State DPA, SRA Sonoma-Lake-Napa Unit

Per ICS-209 and the Cal OES Duty Officers as of 07/07/17 at 1939 hours:

- 1,932 acres grass, 54% contained, Expected Containment 07/13/2017
- 16 Local Government engines
- 5 water tenders assigned

FMAG

- On 07/06/17 an Fire Management Assistance Grant (FMAG) application was received and placed on hold.

Evacuations

Per Cal OES Law Duty Officer as of 07/07/17 at 0758 hours:

- Approximately 5 residences issued evacuation orders, 3 residents have refused to leave at this time
- Mandatory Evacuations for Community of Golden Bear Estates- Yolo County deputies going door to door and using of reverse 911, approximately 45 residences notified by deputies, most refusing to leave, 16 residents indicated they would evacuate.
- As of 1400 hours on 07/07/17:
 - Evacuations lifted for Los Positos and Golden Bear Estates

Evacuation Center

- Public Safety Facility, 702 Main Street, Winters
- As of 07/07/2017 at 0730 hours, the Evacuation Center is on standby.

Road Closures

- HWY 128 near Lake Berryessa Dam and Pleasant Valley Rd.

WEATHER OF CONCERN

Weather of Concern

- High pressure aloft will strengthen through Saturday, bringing dangerous heat to inland areas today and Saturday. Excessive Heat Warnings and Heat Advisories have been issued.

Active Weather Warnings, Watches and Advisories by County:

- http://www.wrh.noaa.gov/sto/brief/wwa_bc_cal.php - Temporarily unavailable.
- <https://alerts-v2.weather.gov/counties/CA>

WEATHER SYNOPSIS BY REGION

NORTHERN CALIFORNIA

Strong high pressure will stay around the 4-Corners region and low pressure will be in the Gulf of Alaska area for the next 10 days and maybe longer. A general S to SW flow pattern over the Northern California region will continue with day-to-day changes in temperatures, wind speeds, and thunderstorm chances/locations. Thunderstorms will be most likely to occur around Tahoe southward today and Saturday and look unlikely Sunday. Some afternoon cumulus buildups seem likely over the northern and eastern mountains Sunday, however. A trough looks like it may begin to have a bit more influence over the region Sunday into early next week. It is unclear how this will affect thunderstorm chances, but a few look possible over the northern and eastern mountains at that time. Around mid week, the high will push back westward and the best chances of thunderstorms will return to the eastern areas and possibly near the Oregon border for the latter half of next week. The marine layer near the coast will remain fairly deep north of Cape Mendocino and low clouds and patchy fog will persist there in particular.

Gusty S to SW afternoon winds with gusts mostly 20-30 mph are expected to develop again Sunday in the eastern areas as the mentioned trough moves over the region. Otherwise, afternoon winds will be fairly light through the weekend except for daily gusty NW winds along the coast and gusty westerly winds at a bit higher-than-seasonal wind speeds through The Delta region.

SOUTHERN CALIFORNIA

Gusty north winds across Santa Barbara County and near the I-5 Corridor tonight

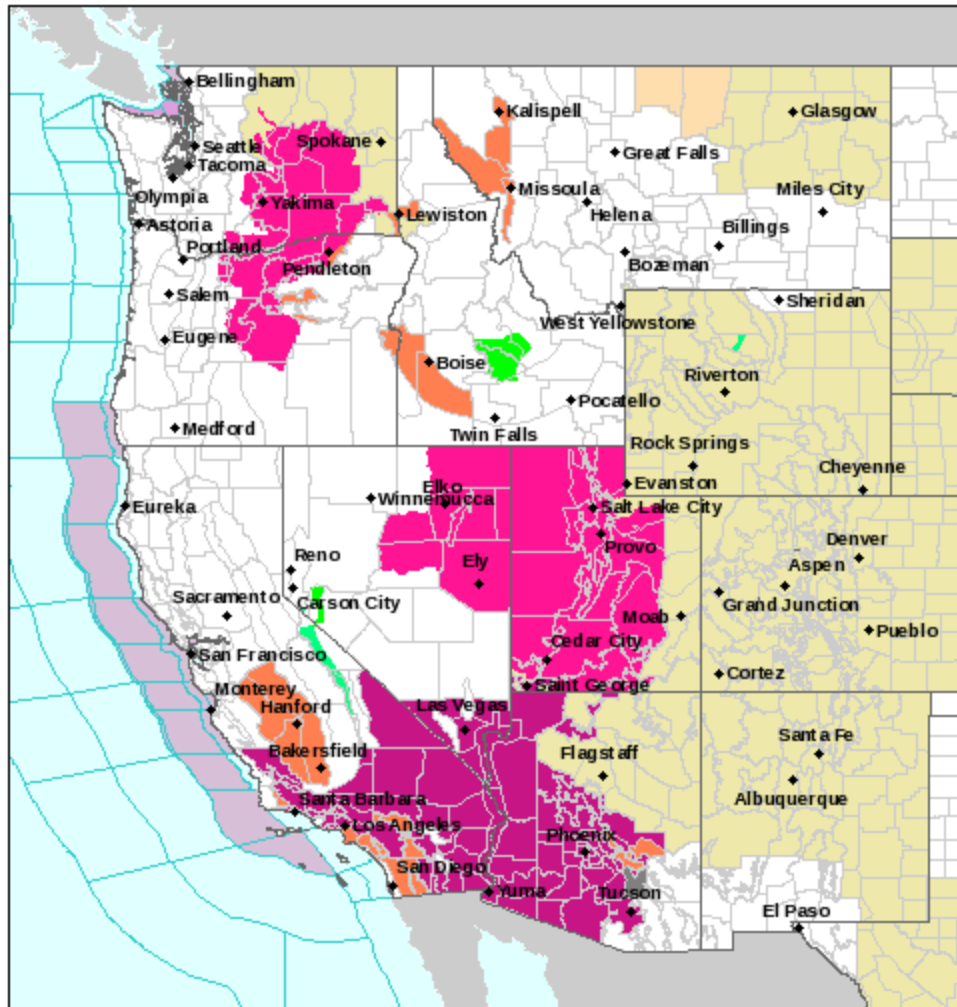

Isolated storms over the mountains and deserts through the middle of next week

Record heat through Saturday

Strong high pressure over the Southwestern States will bring record heat and low humidity to much of the region through Saturday. Maximum temperatures will be in the upper 80s and 90s across the mountains and 100 to 112 in the valleys. Minimum humidity will be mainly between 12% and 25%. North winds of 15 to 25 mph with gusts to 40 mph will surface across much of Santa Barbara County and the Grapevine tonight. High pressure will weaken bringing significant cooling Sunday and then gradual cooling Monday through the middle of next week. Minimum humidity will increase to 15% and 30% during this time. Thunderstorm activity will be very isolated this afternoon and confined to the Sierra as well as the mountains and deserts of Southern California east of the Cajon Pass. Mid level moisture will increase a little both Saturday and Sunday causing the amount of thunderstorm activity to go up. Afternoon thunderstorm activity will be possible across most mountain and desert locations on Sunday and there is a slight chance of thunderstorm activity over the lower elevations of Southern California. Thunderstorm activity will become very isolated once again Monday through the middle of next week. There will be westerly winds of 15 to 25 mph with gusts to 40 mph across the wind prone desert areas each afternoon and evening through the middle of next week.

OF EMERGENCY SERVICES

Cal OES LAW ENFORCEMENT MISSIONS

New/Closed Cal OES Law Missions

2017-LAW-36960, 7/6/17, 1444 hours; The International Emergency Rescue Coordination Center (IERCC) advised of an SOS InReach device activation near Summit City Creek in Alpine County. The registered owner, a Kayaking tour guide, advised he had an injured kayaker who had dislocated his shoulder and needed medical assistance. IERCC notified Alpine County Sheriff's Office directly who dispatched a helicopter to rescue the injured party. The injured person was located and taken to a local hospital for treatment. **Mission Closed**

2017-LAW-36966, 7/6/17, 1925 hours; The Air Force Rescue Coordination Center (AFRCC) advised of a PLB activation in the area of Santa Cruz near Big Basin Redwood State Park. Coordinates: 37° 10.7 N, 122°17.0 W. The registered owner is from New Zealand. AFRCC contacted New Zealand Rescue Coordination Centre who provided additional information on the registered owner's itinerary. LDO notified Santa Cruz Sheriff Dispatch who assigned incident #68627 to the search. Santa Cruz Sheriff notified Big Basin Redwood State Park who dispatched rangers to search for the hiker. LDO continued to receive updated coordinates throughout the night and provided the coordinates to rangers. At approximately 2210 and 2300 hours, AFRCC began receiving miss passes or "no-detect" from the device indicating it had stopped transmitting. Per Park Rangers they had not located the hiker. Park Rangers searched throughout the night and checked camp registry with negative results. It was determined from Park Rangers, Santa Cruz Sheriff and LDO that the search would be suspended for the night and resume at day light. **Mission Ongoing**

Ongoing Cal OES Law Missions

2017-LAW-36940, 07/05/17, 2305 hours, Tuolumne County Sheriff's Office (TCSO) is requesting SAR mutual aid to assist in the search for an 85 year old female with dementia who walked away from her home on Wednesday, 07/05/17 sometime after 1100 hours. The MP's husband, who returned home at approximately 1800 hours and found her missing, he then immediately called TCSO. The request is for 30 Type III/II Ground Searchers, Overhead Support and 2-3 Trailing Dog teams. All responding resources will be briefed at 0800 hours at the CP, 12765 Mueller Dr., Groveland. Ground Searchers provided as follows: Stanislaus - 4, Calaveras - 2, and Merced - 1. The Cal OES Law Branch K9 coordinator secured 1 Trailing Dog. **Update: 07/06/17, 0600 hours,** Due to the limited response overnight, additional calls were made this morning, Thursday, 07/06/17, to the following: Yosemite, Mono, Alpine, El Dorado, Santa Clara, Alameda, Contra Costa, Solano and Marin County SAR Teams for an immediate response and/or for an Operational Period beginning Friday morning, 07/07/17. **Update: 7/6/17, 2000 hours,** A/C Broughton advised the missing person was located alive and well in the search area. All resources for tomorrow's operational period were cancelled. **Mission Closed**

Cal OES RECOVERY

2017 Statewide Winter Storms

Presidential Major Disaster Declarations for January/February Winter Storms – FEMA-4301-DR-CA, FEMA-4305-DR-CA, & FEMA-4308-DR-CA

- Assistance for emergency work and the repair or replacement of disaster-damaged facilities was approved for the following counties in at least one of the major disaster declaration: Alameda, Alpine, Amador, Butte, Calaveras, Contra Costa, El Dorado, Humboldt, Inyo, Kern, Lake, Lassen, Los Angeles, Marin, Mendocino, Merced, Mono, Monterey, Napa, Nevada, Orange, Placer, Plumas, Riverside, Sacramento, San Benito, San Diego, San Luis Obispo, San Mateo, Santa Barbara, Santa Clara, Santa Cruz, Shasta, Sierra, Siskiyou, Solano, Sonoma, Sutter, Tehama, Trinity, Tuolumne, Yolo, and Yuba and the Tule River Tribe in Tulare County.

EMAC and Public Assistance - 2017 Winter Storms

- Cal OES Recovery Division identified the need for Public Assistance subject matter experts to assist with the aftermath of the 2017 Severe Winter Storms. Accordingly, Cal OES requested assistance from other states through the Emergency Management Assistance Compact (EMAC) - the Nation's mutual-aid system. New Jersey and Colorado provided personnel that arrived on Monday, 06/13/17. Both states along with other potential states will be providing support between now and the beginning of September at various Joint Field Offices throughout California. The goal is to assist those impacted counties in identifying disaster related damage and program eligibility.
- See Cal OES Mission Tasking slide for Mission Tasking information.

Cal OES MISSION TASKING

Cal OES Missions

- **2017-SOC-36209:** Two Public Assistance Coordinators from the state of New Jersey have been assigned to California through the Emergency Management Assistance Compact (EMAC) system
- **2017-Cal OES-35819:** Twelve Caltrans engineers requested to conduct damage and site inspections throughout the state for impacts related to 2017 February Winter Storms. The lead engineer will report to the Joint Field Office to coordinate the response.

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
